

## Alabama Alliance

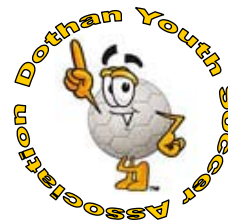

Fall 2005

### Objectives of the Alabama Alliance Soccer Club

- 1) To identify and recruit quality coaching personnel.
- 2) To continuously enhance the education of the Alabama Alliance Soccer Club coaching staff.
- 3) To place Alabama Alliance Soccer Club coaches into appropriate age levels according to their soccer knowledge and coaching ability.
- 4) To identify and attract high caliber players of all levels.
- 5) To develop individual players to their full potential.
- 6) To maximize the number of college scholarships offered to Alabama Alliance Soccer Club players.
- 7) To maximize the number of Alabama Alliance Soccer Club players who represent the United States on National and/or Olympic teams.
- 8) To maintain and increase the respectability of the Alabama Alliance Soccer Club within the community.
- 9) To conduct summer camps and player development programs to attract young players to the Alabama Alliance Soccer Club.
- 10) To form the best teams possible to compete in Premier Leagues, Tournaments, State Cup, Regionals and Nationals.

Soccer is *ALIVE* in The Wiregrass!

## Dothan Youth Soccer Association

The Dothan Youth Soccer Association is a non-profit organization dedicated to the development of competitive youth soccer teams from the Wiregrass Area. We compete in the Lower Alabama Soccer League, Alabama Youth Soccer Association sanctioned tournaments, and surrounding state sanctioned tournaments. DYSA is a member of AYSA as well as part of the US Youth Soccer Association.

The Dothan Youth Soccer Association has long been a soccer pioneer in the Wiregrass. We were the first area club to introduce paid, professional coaches to work with our players. We were also the first to hire a Director of Coaching and the first to develop a structured training curriculum for our players and teams. The Dothan Youth Soccer Association soccer complex is located at Westgate Park, Dothan and it provides our players with one of the best practice facilities in South Alabama.

Since 1986, Dothan Youth Soccer Association teams have won One Div. I State Championship, One Div. II State Championship and 24 Governor's Cup titles. We have held Micro-soccer programs for ages 4-8 twice a year to prepare future players for team play through Recreational or Premier Leagues.

In 2004-2005 DYSA hosted the Olympic Development Program "Center for Excellence" training. In fall 2005 Dothan will hold ODP try-outs at Westgate Park. We have had 10 players on the Alabama ODP Teams.

A major point of emphasis with the Dothan Youth Soccer Association program is to prepare our young athletes for their high school and college soccer experience. Dothan Youth Soccer Association has a proud history of placing our young athletes in top college programs around the country. DYSA has helped 24 players attend college on scholarship.

### Why to join a premier soccer club?

**There are many benefits to participating in club soccer:**

Improved soccer ability. Your child's skills will significantly improve due to:

- **More practices and games.** All players naturally improve just by practicing and playing more.
- **Licensed coaching.** Club soccer teams, unlike town programs with unpaid parent coaches, license their coaches. Coaches have some credentials and passion for both the game and coaching.
- **Competition against other strong players.** The best way to improve your play is to play with and against other good players.
- **Exposure to good life values, including teamwork and individual work.** Since most teams are together for the entire year (and typically the core of the team continues from year to year), players learn what it means to work for each other to accomplish goals. With good coaches, they will be encouraged to work hard at improving their skills and to try their best on the field at all times.

### What is Competitive Soccer? How is it different from Recreational Soccer?

Competitive soccer is designed for the players who want to continue their soccer experience at a more challenging level. Competitive soccer differs from recreational soccer in that players are placed on teams based, in part, on their playing ability

### What are the costs?

- ◆ Registration fees (AYSA registration & DYSA Registration).
- ◆ Uniform Fees (uniforms usually last more than a year)
- ◆ Coaching Fees
- ◆ Tournament Fees and Travel Costs
- ◆ Average cost \$125.00 - \$350.00 (Varies based on tournament fees, Uniform fees if new one is needed, Experience and License level of coach, and Division of Team) Costs will vary for each team.
- ◆ Scholarships are available based of financial need. All scholarships requests are confidential.

**2005 Fall Try-outs  
June 25 & 26 9:00 am**

**Westgate Soccer Complex**

Try-outs are free - Registration fees are not due until child has been offered a spot on a team. **Please Contact 334-702-DYSA or 334-790-4733. E-mail: dya@dya.net**
